PETITION TO CORRECT INVENTORSHIP PURSUANT TO 37 C.F.R. § 1.48(f)(1)

MAIL STOP MISSING PARTS
Commissioner for Patents
P.O. BOX 1450
Alexandria, VA 22313-1450

Dear Sir:

Applicants hereby petition the Commissioner to correct inventorship in the present application pursuant to 37 C.F.R. § 1.48(f)(1). In particular, the "Lind Gas Bearing" company of Gothenburg, Sweden was incorrectly listed as an inventor in the previously submitted, unexecuted declaration. The executed declaration submitted concurrently with this Petition to Correct Inventorship omits the "Lind Gas Bearing" company and properly includes Bjorn Lind of Nona Liden 11, SE-41118, Gothenburg, Sweden as one of the inventors. Also, the previously submitted, unexecuted declaration did not list Stefano Giuliano as an inventor. The executed declaration submitted concurrently with this Petition to Correct Inventorship properly lists Mr. Giuliano as an inventor.

Pursuant to 37 C.F.R. § 1.48(f)(1), the executed declaration submitted concurrently with this Petition to Correct Inventorship corrects the earlier, incorrect identification of inventorship. Applicants respectfully request issuance of a corrected filing receipt reflecting this correction of inventorship.

If additional fees are incurred because of this Petition to Correct Inventorship and not included, the Commissioner is authorized to charge said additional fees, as well as credit any overpayments, to Deposit Account No. 08-2789 of Howard & Howard Attorneys, P.C.

Respectfully submitted,

HOWARD & HOWARD ATTORNEYS
